

EXECUTIVE PRESENCE TRAINING

“Most people overvalue what they are not and undervalue what they are”

Michael Forbes, Forbes Magazine

ABOUT SUPERSTYLE ASIA

SuperStyle Asia was founded as a Personal Development & Branding consultancy in Hong Kong by internationally acclaimed musician Kate Targett-Adams, in order to help others both feel and project the confidence, presence and style that she gained through her Oxford education and experience as an on stage performer across Asia over the last 18 years.

With a team of internationally qualified instructors, able to facilitate in English, Cantonese and Mandarin, the company provides modern day, science-backed solutions for both individuals and corporations based on the 3 pillars of Personal Branding: Communication, Image and Character. Equipped with this knowledge, anyone can learn how to effectively communicate their own powerful and polished professional brand and heighten their executive presence.

COURSE CONTENTS

- ~ All coaching is tailor-made to suit the goals and culture of the company and individuals
- ~ Any elements can be mixed and matched
- ~ Workshops can range from half day to 2 day courses

COMMUNICATION

- 1) **Executive Presence:** convey charisma, gravitas & professional presence in the workplace
- 2) **Confident Communication:** enhance written, verbal & non-verbal body language
- 3) **Public Speaking:** excel at presentations PPTs whilst talking with personality & ease
- 4) **Networking Nuance:** advance preparation, elevator pitch, first impressions, make lasting impact

IMAGE

- 1) **Social Media Training:** curate your executive presence both online across the media platforms
- 2) **Media Skills Training:** handle press & TV interviews, video recordings & analysis on the day
- 3) **Your Professional Profile:** master dress code at the office, at client dinners, on casual Friday
- 4) **Gorgeously Groomed** – top tips on managing hair, make-up, your body type & colour palette

CHARACTER

- 1) **Personal Power:** projecting strengths in order to boost productivity, charisma & confidence
- 2) **Keep Calm & Carry On:** straightforward techniques for calm & poise under pressure
- 3) **Feedback Finesse** – the methods & techniques to create a culture of feedback to feed forward
- 4) **A Picture Speaks 1000 Words** – the know how to pose for photographs in order to communicate your authentic self & character. The session includes a professional photographer to take LinkedIn head shots and professional body shots. Additional Photographer's fee applies.

TESTIMONIALS

Bloomberg

"We had the pleasure to engage SuperStyle Asia for the two Personal Image Workshops. The professional image we all wish to portray goes far beyond just grooming to etiquette, but how we want to be perceived by others; SuperStyle was able to creatively-structured the course to tailor for our corporate needs. The workshop was interactive, fun and practical, and all the attendees really enjoyed it"

Dorothy Chan
Fixed Income and Credit Application Specialist
Bloomberg LP

"We were delighted with the event, which was well organized, keeping our participants engaged and interested throughout. Everyone left with a sense of achievement, which created a very positive and lasting impression. Thank you for your professionalism and creativity - we will definitely recommend your services."

Sharon Kok, Head of Operations Asia,
Tommy Hilfiger

"SuperStyle's concept and personal touch left a lasting impression on our customer, Pandora Jewellery Store-Managers-team. We see the changes that were ignited in the way people carry themselves. The team is more powerful and each person is more confident on an individual level.

Bart de Wit, Executive Director, Multi Target Coaching,

"SuperStyle Asia gave an excellent workshop on personal branding: a very engaging and interactive style, with some really substantive takeaway content and advice. Lots of positive feedback."

Andrew Seaton, Executive Director,
British Chamber of Commerce in Hong Kong
